**#1 Problem Solving/Stanford Design Thinking
Based S.T.E.A.M Afterschool Programs K-12**

@ 13635 NE 8th ST Suite 104 Bellevue, WA 98005

Geeks do data mining. We do minds mining.

We believe that success and happiness is all about mindset and methodology. The foundation of academic and life success is a strong and right mindset. With that, right methodology will accelerate the success.

We don't just teach. We plant the seeds of right mindset and mythology. We facilitate their growth.

Our uniquely developed S.T.E.A.M classes are seamlessly embedded with Problem Solving & Stanford Design Thinking programs. Now enroll these great afterschool classes 2017-2018:

- Problem Solving (P)
- Design Thinking by Stanford(D)
 1. Art (+D)
 2. Lego WeDo (+P)
 3. Programming (+P/D)
 4. Robotics (+P/D)
 5. Math/Writing Tutoring (+P)
 6. Homework Help/Test Prep (+P)

*** P,D, 5&6 are our daily afterschool programs available during 3~6pm.**

We also provide Winter/Spring/Summer Camps.

Our students learn, have fun, and build confidence & passion!

Students at MindsMining will:

- Improve their academic performance
- Exercise creativity through projects
- Be more confident and efficient in solving academic and life problems
- Enjoy the learning experience with us

Parents will:

- Enjoy stress free afternoons/breaks
- Be amazed by the change in your children
- Get a most valued afterschool care
- Get connected with our great parent network

Registration:

Problem Solving and Stanford Design Thinking programs are the core programs which we believe are fundamental and beneficial to all other programs at MindsMining. This is our way to maximize your child's learning. So every child will be suggested to select 2 programs as combo classes. For example: Art (+D) means Art plus Design Thinking. Programming (+P/D) means Programming plus Problem solving or Design Thinking or both.

Class Fees:

Combo class with 2 selections (2 hrs) is \$55 per session;
Combo class with 3 selections (3 hrs) is \$70 per session;
