[www.ymcaearthservicecorps.org](http://www.ymcaearthservicecorps.org)**

**Everyone is welcome.** The YMCA of Greater Seattle strengthens communities in King and south Snohomish counties through youth development, healthy living and social responsibility. **Financial assistance is available.**

## **YMCA Earth Service Corps is hosting its annual Environmental Leaders Summit!**

We're inviting local teens and adults from around the Puget Sound to discuss the environmental issues facing our communities. This forum will provide opportunities to share ideas, talk with environmental professionals, and connect with your peers about the environmental topics you care about. Join community leaders and young environmentalists for a day of dialogue and discussion as we strive to create more sustainable schools and neighborhoods! There is no cost for this event, but registration is required and space is limited.

**NEED A RIDE?** Transportation is available from select locations and is contingent on reaching a minimum number of riders. Seats are reserved on a first-come first-served basis. Contact us to see if there is a pickup location near you!

The Bellevue School District does not sponsor nor endorse this event and/or information, nor does the district assume responsibility for it. In consideration of the privilege to distribute materials, the Bellevue School District will be held harmless from any cause of action filed in any court or administrative tribunal arising out of the distribution of these materials, including costs, attorney's fees and judgments or awards.
