# Kind World Explorer Club

Looking for a meaningful way to spend your summer?  
Want to spend time helping your kids develop more  
gratitude, kindness and awareness?

We will provide you with a **free** activity curriculum that  
helps foster kindness and compassion among kids!

*All that we ask in return is your feedback on the activities.*

**Who Can Join?** Start a Kind World Explorer Club with your own family  
or gather some friends and set up a regular meeting  
time for activities.

The Kind World Explorer Club curriculum includes 36 different activities  
developed for kids ages 5-10 years. Choose 18 activities and complete  
them over 3 months with weekly meetings, or create your own kindness  
"camp" and complete in a week.

Email us at [programs@campkindnesscounts.org](mailto:programs@campkindnesscounts.org) to get more information about  
how you can make a difference with your kids, at home and in the community!
