

Spiritridge School Directory

Published by Spiritridge PTSA
2016-2017 School Year

The directory is an excellent way to keep in touch with your child's classmates and parents throughout the school year and summer. Last year over 90% of our families chose to provide contact information. Our online directory is only available to Spiritridge PTSA families and is a benefit of Spiritridge PTSA Membership. We do not sell or share your contact information.

**** Save time - please visit our website at www.spiritridge.org to complete the PTSA membership and directory forms online in a few simple steps. ****

If you prefer, you may complete the form and return it to your child's teacher or the main office no later than Monday, September 12th.

Please complete one form for each child with the information as you would like it to appear. Enter the name your student will use in the classroom.

Use the information listed below.

Just my student's name. Only your child's name will be listed in the directory as allowed by state law. Less than 3% of students chose this last year. Please won't you reconsider and choose to share your contact information with our community instead?
