

CALLING ALL MATHLETES

GRADE K - 5

Join us for

MATH CHALLENGE PROGRAM

How to participate:

1. Get a copy of current Math Challenge from front desk, or print it out from our school page: <http://www.mathinaction.org/Spiritridge.html>
2. Solve as many problems as you can (more than you require to do 😊)
3. Bring your solution to the front desk by the due date
4. Claim your prize at the end of school year

FREE to join, no signup necessary. Students who finish 7 sets of math challenges will receive a certificate of participation. Students who finish all sets of math challenges will receive a gift.
