

# FARM CAMP AT OXBOW!

“Oxbow is a very special place that allows kids to be kids, and educates and guides in a playful and beautiful way.”

~ a kindergarten teacher and parent

## Fun, the ORGANIC way!

Oxbow is an organic vegetable farm and conservation center located in Carnation, WA. Our summer camps connect kids to their food—and to the habitats beyond the farmland—through imaginative play and exploration. Camps take place on our one-of-a-kind Kids' Farm and nature trails in the beautiful Snoqualmie Valley.

### Farm and Forest Homes

Explore the world of wild animals and their habitats at Oxbow. Design and build homes for your favorite creatures, big and small, real or imaginary! Learn to support human habitat, too, by harvesting, eating, and donating food from the Kids' Farm fields. Bring your creativity, imagination, and sense of adventure!

**4-6yrs: June 26-30 | 9AM-3PM | \$300**

**7-12yrs: July 31-Aug 4 | 9AM-3PM | \$300**

### Dig In!

Spend the week learning real farm skills while you harvest a bounty of organic produce for snacking and sharing! Learn about soil, get to know the wild animals that are found on the farm, and design your own mini farm to take home. Wrap up the week with a camper-led farmer's market that the whole family can enjoy!

**7-12yrs: July 10-14 | 9AM-3PM | \$300**

**4-6yrs: July 24-28 | 10AM-2PM (half day) | \$230**

**4-6yrs: Aug. 14-18 | 9AM-3PM | \$300**
